HOWL OF
P. HOWLAND

About Free Wool, Free
Trade and Kindred
Notions.

MAKING DOCTORS OF

The Laws Also of Doubtful
Utility.

As a Political Matter And
Target For Dornicks.

Herrick Renaissance Needed to Keep

Porker Cox From the Trough—

Trouble in the G. O. P. Camp.

Howland's Howl.

Paul Howland, G. O. P. congressman
from Cleveland, set up a howl
congress about free wool, free
trade, the high prices of farm pro-
ducts, etc., and asks Governor Har-
mon a lot of questions which How-
land himself did not venture to an-
swer.

The G. O. P. papers, following How-
land's example, have set up the same
howl without vouchsafing an answer
for the G. O. P. to Howland's ques-
tions, because the G. O. P. does not
dare give stand-pat answers for fear
of offending insurgents and dare not
give "progressive" answers for fear of
offending stand-patters.

Thus Howland's howl has returned
to the howlers like a mocking echo
that regret that it was ever howled.
And by his howl the howling G. O.
P. congressman from Cleveland has
qualified himself without further for-
malities to change his name from Paul
Howland to Paul Howler.

It is a time to laugh and not to
weep. So ridiculous was Howland's
howl that it was not necessary for
Governor Harmon to dignify it with
an answer. Governor Harmon's good
luck clings to him. He can just smile,
and smile, and smile at the foolish
and frantically blunders his political
antagonists persist in making in the vain
hope of hurting his political pros-
pects. The more his political enemies
try to embarrass Governor Harmon
the more they boost him.

Therefore, let Paul Howland and
all the little G. O. P. howlers con-
tinue to howl.

Hits Harris and Herrick.

This paragraph in the Zanesville
Times-Recorder, a Republican organ,
is almost funny enough to win a place
among almanacs:

"Governor Harmon was made a
doctor of laws at Marietta. The gov-
ernor will do well to hustle around
and collect enough honors to last
him, between now and the close of
his present term. They seldom make
much of a fuss over ex-governors in
Ohio."

The funny part is the last sentence,
which is a pretty hard side-swipe for
a Republican paper to give Uncle
Andy Harris and "Colonel" Myron T.
Herrick, especially just now when
"Colonel" Herrick is making such a
fuss about the primary endorsement
given "General" Dick by nearly 150,
000 Republican voters.

Judson Harmon has been able to
bear becoming all the honors that
have come to him so far and he is
proving his worthiness for all honors
already bestowed or that may yet be
in store for him.

The rest of us can enjoy caustic
reference to ex-governors such as
appear in Zanesville's Republican or-
gan if the G. O. P. ex-governors can
stand it.

Helping Harmon.

Apparently in the desperate desire
to prove up an anti-graft record for
the political machine in Ohio that
has been manipulated for years by Cox,
Guilbert, Walter Brown and their
satellites, a Republican editor solemnly
printed this utterance: "A Republi-
can prosecutor of Franklin county
sent Mark Slater to prison."

Yes, that's so. But why wasn't it
done when Harris was governor or
when Herrick was governor? Frank-
lin county had a Republican prose-
cutor during all that time.

No matter what the worried Republi-
can organs say in their attempt to
fix up a campaign defense they
make out a stronger case for Gov-
ernor Harmon. May they never tire
in such misdirected energy.

At Public Expense.

Ho, ho! Another cat slipped out of
the bag. Through recent reports from
Washington.

That howling speech of Congress-
man Howland about free wool and
free trade and the high price of farm
products, and other speeches which,
Washington dispatches say, "Several
Ohio Republican representatives got
into the Record" that were "intended
primarily for political consumption,"
are to be used in Ohio this year as
campaign documents.

GOOD NEWS.

Many Marion Readers Have Heard It

And Profited Thereby.
"Good news travels fast," and the
thousands of bad back sufferers in
Marion are glad to learn that prompt
relief is within their reach. Many a
lame, weak and aching back is bad
no more, thanks to Doan's Kidney
Pills. Thousands upon thousands of
people are telling the good news of
their experience with the Old Quaker
Remedy. Here is an example worth
reading:

Miss Mary Black, 127 N. Fifth St.,
Upper Sandusky, O., says: "I have
had considerable experience with
Doan's Kidney Pills and they have
always lived up to the claims made
for them. I first used this remedy
some ten years ago, when living in
Toledo. I never suffered much from
backache so much people who have
kidney complaint do but was annoy-
ed greatly by a difficulty with the
kidney secretions, particularly when I
caught cold. Whenever I have been
bothered by these difficulties since I
first learned of Doan's Kidney Pills, I
have taken this remedy and have
never failed to get prompt relief. I
feel that I am justified in giving
Doan's Kidney Pills my endorsement."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,

States.
Remember the name—Doan's—and
take no other.

Through the use and abuse of the
franking privilege political speeches
of this kind are made in congress by
G. O. P. congressmen for the purpose
of having the state flooded with them
free of expense to the state G. O. P.
committee.

This abuse of the franking privilege
by G. O. P. politicians enables the
G. O. P. machine to flood the state
with poisoned political literature at
the expense of the people.

Herrick Redivivus.

A revival of the Herrick boom for
the G. O. P. nomination for governor
is announced in one Republican pa-
per as the logical way to break the
Cox-Burton combination. "Herrick is
the man to keep out Cox," says the
aforesaid innocent and unsuspecting
Republican paper, and then added
that if Herrick were nominated the
Cincinnati boss would be eliminated
as an issue in the campaign.

Not so long as the "electric mule"
browns along the banks of the Mi-
ami and Erie canal.

By all means bring on "Colonel"
Herrick as the G. O. P. candidate for
governor. Yes, "Herrick is stronger
than he was in 1908," with the ac-
cent (as well as the odor) on "strong-
er."

Harmon Started It.

"A Republican prosecutor of Frank-
lin county sent Mark Slater to pris-
on," says a Republican paper.

Not while Uncle Andy Harris was
governor, nor yet while "Colonel"
Myron Herrick was governor.

The people of Ohio know who it
was who pushed the Republican at-
torney general into pushing the Re-
publican prosecutor of Franklin coun-
ty into pushing Mark Slater—and
there are more yet to be pushed, pro-
viding Governor Harmon is given two
more years in the governor's office
to do the pushing.

Denman Had to Be Pushed.

Referring to graft charges and with
an evident desire to bolster up some
sort of a defense that will do for cam-
paign purposes a Republican paper
remarked: "Attorney General Grant
Denman is vigorously pushing suits
for restitution."

Well, who pushed Attorney Gen-
eral Denman? The people know who
it was, whether the G. O. P. bosses
admit it or not.

He Knows.

In all their frantic retortations of
the question, "What has Harmon
done?" the G. O. P. bosses have not
yet mustered up sufficient courage to
ask Uncle Andy Harris.

Who Scratched the Bath tub?

Nice, porcelain bath tub, too; and
all the folks thought it was just
lovely. But somebody was washing
it out and used common laundry
soap—the yellow kind with rosin and
strong caustic in it—and away went
the enamel and the finish. (If that
kind of soap will harm porcelain
enamel, what won't it do to clothes?)
Herrick's Easy Task soap, the pure,
white, antiseptic, five-cent-a-cake
kind, will not harm anything, but
lirt. Try two cakes and get your
money back if it isn't as represented.
